# THE FAIREST CAPE

Soon you too will discover why Cape Town was voted ‘The Best City in the World’ by The Telegraph readers for seven consecutive years and Best City in Africa & Middle East in the 2021 Travel + Leisure World’s Best Awards.

DAY 1

## PRIVATE GUIDED TOUR OF CAPE TOWN & TABLE MOUNTAIN

A visit to Cape Town would not be complete without a trip up the iconic Table Mountain. One of the New7Wonders of Nature and the backdrop to the Mother City, Table Mountain has wowed guests for many years. The cableway opened its doors in 1929 and has seen over 25 million visitors since. Revamped in 1997, the cable car now offers unsurpassed views as you make your way up to the 3500ft summit, with a revolving floor that allows for 360-degree views.

Furthermore, the history and culture of this beautiful city is brought to life by our private guides, who will share interesting facts and anecdotes dating back to the first European settlers to the world’s most famed political prisoner turned President, Nelson Mandela.

DAY 2

## PRIVATE GUIDED TOUR OF CAPE POINT

// OR GOLF IN CAPE TOWN

Explore the striking scenery as we circumnavigate the Cape Peninsula along one of the most scenic roads in the country known as Chapman’s Peak Drive. Rugged rocks and sheer cliffs towering more than 200 metres above the sea cutting deep into the ocean, provide a spectacular background for the park’s rich bio-diversity. With towering stone cliffs, endemic fynbos, breathtaking bays, beaches and rolling green hills and valleys, it’s definitely worth adding to your Cape Town bucket list.

Stop for lunch and to visit the resident Jackass Penguin colony at the nearby Boulders Beach, one of the beautiful beaches on the peninsula with its big granite boulders and azure waters.

DAY 3

PRIVATE GUIDED TOUR OF THE CAPE WINELANDS

Set off on a private guided full day tour of the Cape Winelands in the company of our wine expert, as he shares his extensive knowledge of the wine produced in this region. Steeped in history and rich in cultural heritage, the Cape Winelands has no shortage of activities for you to explore.

Enjoy exclusive wine tastings arranged at a myriad of wine estates, meet the wine makers themselves and enjoy lunch at what is also described as the culinary capital of South Africa.

*A spa treatment can be arranged in lieu of either the golf or sightseeing on any specific day, should you wish to stay in and enjoy the incredible facilities*

The mountains surrounding the Winelands not only create an incredible backdrop for the many award-winning estates, but are also one of the most important geological reasons why wines do so well in this region. The composition of the soil directly affects the type and quality of wines produced here.

A wide variety of wines are produced in this region from the South African varietal of Pinotage to Bordeaux style blends, Burgundy style Pinot Noir to the cool and crisp Sauvignon Blanc rivalling those produced anywhere else in the world.

De Zalze Golf Course

DAY 4

GOLF AT ONE OF CAPE WINELANDS’ SUPERB COURSES \*

The Cape Winelands offers a sublime golfing experience, with many prestigious golf courses set among picturesque vineyards and orchards, nestling in fertile valleys that are protected and nourished by towering and spectacular mountain ranges.

With such natural beauty it is sometimes difficult to keep focused on your golf. A warm, sunny climate coupled with great golf courses like Erinvale, Pearl Valley, De Zalze and

the highly rated Arabella, place the Cape Winelands among the very best golfing regions in Southern Africa.

*\* Golf course selection in Cape Town and in the Cape Winelands to be confirmed.*

Pearl Valley Golf Course

# SOUTH AFRICA'S PREMIER GOLF & LEISURE RESORT

Featuring three Gary Player designed golf courses all ranked in the top 25 in South Africa

DAY 5

## GOLF AT FANCOURT'S OUTENIQUA GOLF COURSE

OPTIONAL ON ARRIVAL AT FANCOURT (SUBJECT TO TIME OF ARRIVAL)

Ranked number 23 in South Africa, Fancourt's Outeniqua golf course presents an 18-hole parkland layout that is tailored to provide a laid-back golfing experience. The golf course offers a more relenting layout than its counterpart, the Montagu, but it presents a fair share of challenges and water hazards on as many as 11 of its holes. Designed by Gary Player and named after the mountain range that forms its breath-taking backdrop.

Fancourt's Outeniqua Golf Course

DAY 6

## GOLF AT FANCOURT'S MONTAGU GOLF COURSE

// OR PRIVATE GUIDED TOUR OF OUDTSHOORN INCLUDING ELEPHANT & OSTRICH INTERACTION

It holds the prestigious 5th position on South Africa's Top 100 Courses' list of top golf courses in the country. This tree-lined course covers large tracts of varying terrain across an undulating indigenous landscape.

Fancourt's Montagu Golf Course

DAY 6

MEET THE ORPHANED ELEPHANTS AT BUFFELSDRIFT

// OR GOLF AT FANCOURT’S MONTAGU GOLF COURSE

At Buffelsdrift Game Lodge, the primary objectives of conservation and sustainability is seen in the everyday running of the reserve and the care of the wildlife under their protection. The three gentle giants were rescued from certain death from their Kruger National Park home after the adults in their family were killed by poachers. Head Elephant Guide, Joseph Maseko was on hand to care for them and rear them to adulthood, spending day and night at their side to ensure their survival. Meeting the three musketeers is an incredibly humbling experience. Although calm and gentle as can be, these intelligent and sociable mammals are not trained but have become habituated to humans due to their hand-rearing.

DAY 7

GOLF AT THE LINKS AT FANCOURT

// OR PRIVATE GUIDED TOUR OF KNYSNA ON BOARD THE KNYSNA HEADS EXPLORER

Sculpted into what Gary Player has described as his greatest feat as a course designer, The Links is the golfing hallmark of the Fancourt Estate. Featuring an undulating, windswept terrain and dune-style landscape, the course is the collaborative handiwork of golfing icon, Gary Player, course designer, Phil Jacobs and its owner, Dr Hasso Plattner. The Links at Fancourt is ranked 2nd in South Africa and 28th in Golf Digest’s US edition’s list of the world’s 100 greatest golf courses.

The Links has hosted many of the most prestigious tournaments in the world, including the Presidents Cup (2003), the SA Open (2005) and the 2012 Volvo Golf Champions European Tour.

Inspired by the famous links courses of the British Isles, The Links is considered a masterpiece. It plays host to many global golfing legends including John Bland, Justin Rose, Retief Goosen, Branden Grace and Ernie Els.

# DAILY SAFARI ACTIVITIES AT MALAMALA GAME RESERVE

DAY 8 - 11

## MORNING / AFTERNOON GAME DRIVES

Game drives take place in the tranquil moods of sunrise and sunset, as this is when the animals are most active. The vehicles are open and comfortable, and give you a panoramic view of the area. You'll be guided by one of Shamwari's trained game rangers who'll take you and your party through the reserve, encountering many animals along the way.

Each game drive lasts for approximately three to four hours and take you through the reserve. Included on the game drive is a coffee stop for the morning drive and a sun-downer stop in the evening. The rangers are experts at navigating the Shamwari terrain and are readily available to answer any questions you may have.

## GUIDED BUSH WALKS

In addition to spectacular game drives, Shamwari also offers professionally guided bush walks. The rangers and guides share their intimate knowledge of the reserve and their own expert insights to make each natural encounter a special event. Here, you can gain a

true perspective of the fauna and flora indigenous to the region. Your guide can also point out animal tracks, dung, birds and can educate you on the area and its rich history. Expect to take away new insights, an appreciation for Africa, and an unforgettable experience.

A stay at Shamwari Private Game Reserve is one that will remain with you forever.

Shamwari Private Game Reserve is a premier safari and holiday destination in South Africa's ecologically and culturally significant Eastern Cape Province. Shamwari, meaning "my friend" in Shona, is the pinnacle of private game reserves and home to the coveted Big 5. It's a place where guests can exist in harmony with nature, however fleeting the moment, where wildlife roam the landscape under the relentless African sun.

Shamwari Private Game Reserve is home to five of South Africa's eight major biomes, providing rich vegetation types that are suitable for an array of animal and plant species to thrive in. These five vastly different biomes bring about a wide variety of animal, bird and plant life for guests to catch sight of at Shamwari Private Game Reserve.
